

Paul Cmiel is the Vice President of Sales for Analysts International Corporation (Analysts), a subsidiary of ACS Group. As Vice President, Paul leads a team of sales directors located throughout the United States, and he works closely with delivery professionals to ensure project success for our clients. The sales team is responsible for collaborating with clients to create customized, innovative solutions that focus on solving business challenges and ensuring the highest quality outcomes.

Prior to joining Analysts in 2012, Paul was the Senior Director, Global Healthcare Vertical, Sales and Marketing for CIBER. Here he was responsible for working with the sales and marketing teams to promote and drive new business in the healthcare market on both a national and global level.
